Sacudocu@us.es

To receive information about accommodation it is necessary fulfil a form available in www.sacu.us.es and send back to the fax number +34 954.48.60.20

Besides, it is possible to find several private accommodation during the whole academical year in different places such as information blackboards, magazines as others.

Accommodation in shared flat, the most common option in Seville, it is around 150-250€ approximately by person and month.

Despite the reduced number of free places offer by the Colleges and University Accommodation, it is recommendable to start the process as soon as possible. Nevertheless, the private offer in accommodation for renting is bigger and there should be no problem to get one.

Also it exists alternatives ways of be accommodated, one of it could be with elderly people, offered by the Social Work Unit for the S.A.C.U. students, the other is in the frame of the Youth Hostelling Services through the Andalusian Institute for Youth.
